7:00 p.m.

Council Chambers

Dave Dickason
Mayor
Term Expires 2022

Peter Denmark
Vice Mayor
Term Expires 2023

Victor Shen
Council Member
Term Expires 2024

Tom Wagner
Council Member
Term Expires 2022

Daniel Blair
Council Member
Term Expires 2022

David Pinqouch
Council Member
Term Expires 2023

Cathy McCord
Council Member
Term Expires 2024

James Hunt
City Manager

Jackie C. Wilde
Assistant City
Manager

Holly Wells
City Attorney

1. **CALL TO ORDER**
2. **OPENING CEREMONY**
3. **ROLL CALL**
4. **CITIZEN COMMENTS ON ANY SUBJECT EXCEPT THOSE ITEMS SCHEDULED FOR PUBLIC HEARING** *[Those who have signed in will be given the first opportunity to speak. Time is limited to 2 minutes per speaker and 36 minutes total time for this agenda item.]*
5. **APPROVAL OF AGENDA AND CONSENT AGENDA** *[Approval of Consent Agenda passes all routine items indicated by asterisk (*). Consent Agenda items are not considered separately unless a council member so requests. In the event of such a request, the item is returned to the Regular Agenda]*
6. **PRESENTATIONS AND REPORTS**
 - A. Proclamations and Awards
 - B. Mayor Report
 - C. Vice Mayor Report
 - D. City Manager Report..... **Pg 3**
 - E. City Attorney Report

- 7. **PUBLIC HEARINGS (NON-ORDINANCE)-** *[Those who have signed in will be given the first opportunity to speak. Time is limited to 5 minutes per speaker. Anyone wishing to speak a second time may do so only after all other persons have spoken, and then for 1 minute.]*

- 8. **NEW BUSINESS**
 - A. **ORDINANCES**
 - 1. **EMERGENCY ORDINANCE 2022-001** Temporarily authorizing the suspension and/or modification of various sections of the Whittier city code regarding public meetings and participation in order to protect and preserve the health, safety, and welfare of the Whittier community during a statewide high alert and local public health emergency resulting from covid-19
..... Pg 14
 - B. **RESOLUTIONS**
 - * 1. **RESOLUTION 2022-001**-Amending the City of Whittier's Calendar Year 2022 State Legislative Priorities Pg 18
 - * 2. **RESOLUTION 2022-002**-Amending the City of Whittier's Calendar Year 2022 City Legislative PrioritiesPg 20
 - 3. **RESOLUTION 2022-003**-Approving Emergency Repairs to The Oshkosh Snowblower..... Pg 22
 - C. **Other New Business Items**
 - 1. Discuss rescheduling February 15th meeting to February 22nd

- 9. **INFORMATIONAL ITEMS AND REPORTS** *(No Action Required)*
 - 1. November 2021 Financial Reports for the City of WhittierPg 23

- 10. **COUNCIL COMMENTS**

- 11. **CITIZEN COMMENTS** *[Those who have signed in will be given the first opportunity to speak. Time is limited to 5 minutes per speaker]*

- 12. **COUNCIL AND ADMINISTRATION RESPONSE TO CITIZEN COMMENTS**

- 13. **EXECUTIVE SESSION-** WCC 2.08.040 B (1 & 2) - Discuss Lease Negotiations with Huna-Totem as authorized by City Council Resolution 047-2021

- 14. **ADJOURNMENT**

To: Whittier City Council
From: City Manager Jim Hunt
Re: City Manager Report for January 2022 Council Meeting

Introduction

The purpose of this report is to provide the Whittier City Council, and the public, a brief summary of the City of Whittier (“City”) projects that the City Administration worked on and advanced during December 2021 and January 2022, and to provide City Council and the public a brief introduction to the projects the City anticipates tackling in the near future.

Summary of Projects

The following is a summary of the projects to which I, and City Staff, dedicated significant portions of time this month:

Our collaboration with Cardno Inc and Prince William Sound Economic Development continues for Buckner Building grants. We are currently working on an additional grant through the State of Alaska DEC as well. Detailed information follows in the Finance Director’s report.

Eastern Aleutians Tribes is currently short on staff. We are working to set up some clinic openings. More home test kits are on their way for the school and Whittier residents.

We have attended many meetings regarding the Head of Bay Economic Development Project.

We met with the Governor to discuss our Head of Bay Project

Attended Coast Guard sponsored Arctic and Western Alaska Area Committee meeting. Area Committees are the venue for public input on all relevant processes and scientific issues related to oil and hazardous substance spill prevention, preparedness, planning and response. Area Committees manage and continuously improve upon the Area Contingency Plan, and provide a platform for consistent coordination between federal, state, tribal, and local emergency planners, and responders.

Council lobbying and legal reform Priorities

I, along with the staff, worked diligently on several projects identified by City Council as priorities, including:

- We amended the City Priorities for Council review and they are based on anticipated State and Federal opportunities. Continue to work on preparation planning sessions and the for the next CAPSIS. In preparation for the next Legislative Session, we are working diligently with lobbyists to develop an effective lobbying approach to promote the City’s interests and needs.

- Attended zoom meetings regarding projects identified on the City’s State and local priority list
- We met with the Huna-Totem team in person in Whittier
- Participated in several calls with our D.C. lobbyists as the rules for the Infrastructure Bill develop
- We sent a thank you to State Senator Roger Holland from District N for attending the Head of Bay public meeting on the 23rd of November.

Additional Projects

The following is a brief itemization of other projects completed this month:

1. Work continues with our collaboration with USFS on regarding conveyance of lands discussion near Portage Pass Trailhead and opportunities.
2. We have received an updated proposal for Phase 3 for Harbor Project
3. We are planning a meeting with DOT Planner in the next two weeks to bring her up to date with Whittier activities new and old.
4. We met with Alaska Railroad in Anchorage
5. We had our 1st meeting for our Hazard Mitigation manual update.
6. The City had its name added to a letter directed to AKDEC Commissioner Brune regarding wastewater regulations and waivers. The letter is attached in this document.

Assistant City Manager Wilde’s Monthly Report

CITY CLERK POSITION

We are happy to announce that we have hired Naelene Matsumiya as the Whittier City Clerk. Naelene will be under a strict training regimen over the next 6 months to a year, I will continue to be the acting clerk during her training. Over the next year Naelene will be trained on the following

- Records management. A clerk is the official keeper of records. This responsibility includes the legal liability associated with tasks that involve enormous legal accountability for a local government. While state and local laws and ordinances may vary with respect to specific tasks and functions, in general clerks maintain official records, documents, vital statistics, and financial records. Naelene will be organizing all City records and learning the best policies for record retention as Whittier grows older.
- Professionalism. A strong, positive professional relationship between the clerk and the manager is important for effective service delivery to residents. Clerks work behind the scenes to ensure the smooth operation of local government. In order to facilitate this role, the clerk’s office is becoming professionalized.

- Secretariat to the governing body. The clerk position is one of the oldest in local government. Clerks are selected for their attention to detail, as well as their ability to be forward thinking and to anticipate problems. One task associated with this role is to ensure that public meetings are properly posted.
- Her training will prepare her for her for a CMC designation

COMMISSIONS TRAINING

I prepared and held a joint commissioner training work session with Planning and Zoning and Port and Harbor commissioners. I have set a calendar for the months of February and March for the two commissions to work together on their priorities regarding the City's Comprehensive Plan.

- **February 8, 2022 @6pm Joint Work Session** Planning and Zoning with Port and Harbor both Commissions will work together to review the 2020 Comprehensive Plan they will be asked to come up with a list of priorities for each commission to accomplish over the next 2 years. **No Administrative staff** will attend this meeting this gives the commissioners the ability to work through the plan without input from administration.
- **February 24, 2022 @ 6pm Joint Work Session** Planning and Zoning with Port and Harbor both Commissions will work with the assistant city manager to create a commission priority agenda statement and resolution to review and present to the City Council for approval.
- **March 9, 2022 @6pm Planning and Zoning regular meeting** this meeting the commissioners will review and vote on their prospective priorities and set their meeting/ work sessions for the rest of the year. This meeting they will also hold a vote for Chair and Vice Chair.
- **March 10, 2022 @6pm Port and Harbor regular meeting** this meeting the commissioners will review and vote on their prospective priorities and set their meeting/ work sessions for the rest of the year. This meeting they will also hold a vote for Chair and Vice Chair.
- **March 15, 2022 @ 7pm City Council regular meeting** both Commission's priority list resolutions will be on the Council's agenda for approval- commission will need to be present.

WEBPAGE/SOCIAL MEDIA

Currently working with our web company on upgrades to create a user-friendly webpage.

We now have the following social media:

EMPLOYEE HANDBOOK

Changes were proposed by council members and corresponding changes were made to the Whittier Personnel Code (Title 2.70 WMC) at the December 14, 2021 meeting. Two members of Council

expressed interest in making additional changes to the Handbook, so the administration is awaiting their input prior to presentation to the City Council for approval. We would like to have all council input by February 8, 2022 to bring forward a completed document for approval at the hopefully rescheduled meeting February 22, 2022.

BUCKNER BUILDING

City manager and additional staff held a meeting with Cardno and staff from DEC to consider our eligibility for funding through the DEC assessment grant program.

CITY CODE

Over my last couple months, I have heard council mention the city code and the need to update and make user friendly. We are excited to announce we will be transitioning our Code to MunicodeNEXT a robust code hosting platform! With over 70 years of experience, Municode is the oldest and most trusted codifier in the nation. This program will give Whittier a fresh start by cleaning up the pagination, along with transitioning our code to the most advanced suite of web/mobile services available in the nation. Once the conversion is complete just one of the many options provide citizens the ability with the click of a button to have Whittier's code translated into over 90 languages.

FINANCE MONTHLY REPORT

December Finance Monthly Report – with November PRELIMINARY financials

This report reflects an abbreviated look at finance-related *activities* through the end of December 2021, plus preliminary 2021 *financial results* through November 30. All budgeted interfund transfers, including mid-year appropriations, have been posted.

2021 ANNUAL AUDIT

The annual audit fieldwork is scheduled for the period May 2 through May 5, 2022 for the calendar year 2021. City staff are beginning to prepare to close the books for 2021 and are preparing audit workpapers.

2022 BUDGET

The 2022 Budget was passed and approved by the Whittier City Council on December 14, 2021. The budget book has been finalized and is published on the City's website. The final budget results in a budgetary surplus for all Funds of the City with the exception of the General Fund's Major Repair and Replacement Fund and the CPV Fund, where annual expenditures will exceed the revenues for the year, requiring a use of reserves. The budget document has been updated to include a cash analysis for each Fund showing projected Unassigned Fund Balance (General Fund) or cash balances (all other Funds) at the end of 2022, as follows:

General Fund:	\$1,729,155
General Fund MRRF:	\$ 894,900
Water/Sewer Fund:	\$ 653,292
Water/Sewer MRRF:	\$1,051,410
Harbor Fund:	\$1,001,992
Harbor MRRF:	\$1,214,186

Delong Dock Fund: \$1,594,712
Motor Pool Fund: \$ 49,517

The 2022 Budget includes an extension of the pay scale from Range K through Range R with each step being 2.5% (rather than the standard 5.0% step increase in the previous pay scale), plus a 4% cost of living increase, and modifies Police overtime to include only after 86 hours in the pay period, plus amends Standby Time to a flat rate of \$50 per day. Council has asked that the administration review the pay scale in the coming year, to consider removing lower Steps of the pay scale if appropriate, or determine whether additional changes are needed in the City's Pay Plan.

LEASES

Staff finalized payment to the Alaska Railroad for their 40% of lease revenues under the Master Lease. We have received the final recorded documents related to the assignment of lease from Franklin Dock Enterprises to Princess Cruise Lines Ltd. The City Council first met in executive session to hear a presentation from Huna-Totem Corporation regarding proposed development at the Head of the Bay on September 7, 2021. That meeting was followed by a Special Council meeting on November 9, rolling out the project proposal to the public. Two public listening sessions took place on November 23 and December 7, providing a deeper dive on the project and gathering input from local residents, as well as gathering questions and answers regarding project costs, benefits, impacts, timeline, etc. Representatives of the City and Huna-Totem met with the Whittier Chamber of Commerce on December 8. Council authorized the City Manager to enter into lease negotiations with Huna-Totem Corporation on December 14, 2021. A Council roundtable discussion with members of the public was held on January 11 to allow members of the public to meet with Council in a more informal setting to provide feedback on the project. Council will go into executive session on January 18 to discuss lease terms. A lease will be brought forward for Council when the parties have finalized negotiations.

UTILITY BILLING

Staff have updated rates in the utility billing system for the first full billing cycle in 2022 in accordance with tariff changes approved by the City Council.

WATER/WASTEWATER FUNDING

Staff have provided the State of Alaska with updated statistical information needed under the state's Small Community Scoring System. This data is used by the State to score the City's applications for water and wastewater grant and loan applications. The City expects to seek funding for upgrades to the City's water system and wastewater system in the coming year.

GRANTS - EARTHQUAKE REPAIRS

The City continues to negotiate with our insurance company to determine the eligibility for earthquake damage repairs. At this point the primary area of work centers on the Ocean Dock damage. We will coordinate reimbursement for the project between our insurance carrier and the State's disaster recovery funding. GMC Contracting began their work on earthquake damages resulting from the November 2018 earthquake until weather conditions worsened; remaining repair work will be resumed in the Spring. The City requested an extension on certain elements of the repairs to November 30, 2022 to ensure that work does not interfere with the summer season.

GRANTS – BUCKNER BUILDING

An EPA Assessment Grant application was submitted requesting up to \$500,000 in planning funds to address mitigation and re-use efforts to remove and replace the Buckner Building, plus examining whether additional sites in the community may be eligible Brownfield locations. City officials held a meeting with Cardno and staff from DEC to consider our eligibility for funding through the DEC assessment grant program. We expect to continue those discussions in order to keep the project moving forward and to pursue potential federal funding available through the Federal Infrastructure package.

EMPLOYEE HANDBOOK

The City Council met in a work session on September 21 and reviewed the proposed Employee Handbook. Changes were proposed by council members and corresponding changes were made to the Whittier Personnel Code (Title 2.70 WMC) at the December 14, 2021 meeting. Two members of Council expressed interest in making additional changes to the Handbook so the administration is awaiting their input prior to presentation to the City Council for approval.

GENERAL FUND 2021 REVENUE STATUS THROUGH NOVEMBER

During preparation of the 2021 Budget, there was a level of uncertainty surrounding projected 2021 budgeted revenues resulting from the loss of cruise ships for the second consecutive season. The administration committed to providing periodic updates to the City Council on a comparative level for key General Fund revenues, to determine whether budgeted revenues projections are overly optimistic.

The City's primary source of General Fund revenues impacted by visitors are Sales Tax (budgeted at \$375K), Passenger Transportation Business Tax (budgeted at \$150K) and Fish Tax (budgeted at \$50K). The chart below reflects revenues for these three key revenue sources through November, comparing the 2021 budget-to-actual, in addition to comparing this year's revenues against the same period for the two prior fiscal years.

- Through November 2021, sales tax revenues are 49% higher (\$184,838) than budgeted but are 10.6% lower (<\$66,344>) than the comparable (pre-pandemic) period in 2019.

- The Passenger Transportation Business Tax revenues are 169% higher (\$254,293) than budgeted and are 5.8% higher (\$22,060) than the comparable (pre-pandemic) period in 2019.

- The Fish Tax revenues through November 2021 are 40.6% higher (\$20,308) than budgeted but remain considerably lower than anticipated, at 26.8% lower (<\$25,683>) than the comparable (pre-pandemic) period in 2019.

	Through NOVEMBER		
	Sales Tax (a)	Passenger Transportation Business Tax (b)	Fish Tax (c)
2021 BUDGET:	\$ 375,000	\$ 150,000	\$ 50,000
2021	\$ 559,838	\$ 404,293	\$ 70,308
2020	\$ 335,908	\$ 57,521	\$ 7,005
2019	\$ 626,182	\$ 382,233	\$ 95,991

a) 2021 Sales Tax 10.6% lower than 2019, through November

b) 2021 PTBT 5.8% HIGHER than 2019, through November

c) 2021 Fish Tax 27% lower than 2019, through November

WATER/WASTEWATER ENTERPRISE FUND

The cash balance in the Water/Wastewater Enterprise Fund at November 30 is \$508,710 and in the Water/Wastewater MRRF is \$1,031,410, subject to year-end adjustments. Enterprise Fund revenues are currently higher than budget by approximately \$3,031 or 0.7%, subject to an increase resulting from year-end adjustments for investment earnings.

HARBOR AND DELONG DOCK ENTERPRISE FUNDS

The cash balance in the Harbor Enterprise Fund at November 30 is \$968,994 and in the Harbor MRRF is \$1,154,186, subject to year-end adjustments. The Delong Dock has a cash balance of \$1,489,665 at the end of November.

December 19, 2021

Re: Tustumena and Marine Highway

Dear Governor Dunleavy,

I want to thank on behalf of the City of Whittier and our South-Central neighbors for your foresight to seize upon the financial opportunity to plan and fund the replacement of the Tustumena and as well as for your Budget!

Merry Christmas and Happy New Year to you and your family. You certainly deserve it.

Sincerely,

Jim Hunt

City Manager, Whittier, AK

Cell:907-202-2442

Commissioner Jason Brune
Alaska Department of Environmental Conservation
P.O. Box 111800
Juneau, AK 99811-1800

December 15, 2021

Commissioner Brune,

Alaska's local governments provide for the vast majority of water, sewer, and sanitation needs for Alaska's communities. It is municipal governments that take on this important responsibility, which includes not only the initial infrastructure build-out but the operations and maintenance of the utility. This is a core function of local government that doesn't exist at the state level, and on which residents and businesses depend. There is a public purpose to these operations that go beyond meeting the needs of Alaska communities; utilities are responsible for and committed to the safe discharge of wastewater into an environment that community members and local economies depend on.

While we all share that common commitment to upholding adequate water standards, how that occurs varies by community, with much of the regulatory environment governed by the US Environmental Protection Agency (EPA) and the Clean Water Act. Nine of Alaska's local governments have been granted 301(h) waivers under this federal system, an important consideration of unique circumstances that takes into account the ability for water quality standards to be met by utilizing the permitted mixing zones of these coastal communities and in place of much costlier secondary treatment systems.

The EPA maintains authority over any 301(h) waived facility, even though the State of Alaska has assumed authority over all other former EPA discharge permit holders. The EPA has recently begun an effort to renew all 301(h) permits in Alaska, and has started its efforts with Petersburg, Ketchikan, Wrangell, Sitka, Haines, and Skagway. Anchorage, Pelican, and Whittier will be addressed in a second round of permit renewals. The Alaska Department of Environmental Conservation (ADEC) is responsible for certifying to EPA the acceptance of the discharge permits in relation to Alaska water quality standards - the portion of the discharge permits that are a direct responsibility of the ADEC and known as the 401 certification.

As the permit renewal process has begun, it has been made very clear that ADEC, in conjunction with the EPA, is working to require additional treatment. After a mixing zone study commissioned by the EPA (that by design calculates pollution with a worst-case scenario and not historical average pollutant discharge levels from our treatment plants), it was found that none of the 301(h) waived plants modeled so far would be capable of meeting these new Alaska water quality standards, as changed by ADEC. The water quality standards in question have in fact been tightened over the years since the last round of EPA permit renewals, triggering the potential for new (and unnecessary) permit violations across Alaska's communities.

Communities are left to try and understand and deal with the implications. Having had waivers in place for nearly 40 years, and with little prior record of ADEC taking a position that 401 certification isn't possible without upgrades, ADEC has deliberately chosen to do so now. In fact, instead of supporting the interests of Alaska's political subdivisions, ADEC is quick to follow the direction of the EPA.

The nine local governments impacted by this State decision question, to begin with, the analysis done thus far. The EPA's third-party study focused on a worst-case scenario that hasn't been borne out by 40 years of operations. In fact, historical averages point to a common commitment to safeguarding the water quality that Alaskans deserve. To address this issue, we ask that the State commission an independent analysis to validate the EPA study. This should include a review of all data and the ability to replicate the modeling that was done. Ultimately, a study of this kind should point to some set of desired outcomes that go beyond agency regulatory standards and be able to answer whether there is a threat to a healthy ecosystem and, if so, where it is originating. Let's be clear – local governments place the utmost importance on a clean environment. Residents and our economies depend on it. There is nothing that suggests this is in question.

That said, we are aware of concerns about instances of fecal coliform. We see this as an opportunity for the State to invest in its communities to make specific upgrades to systems that will have a deliberate and positive impact on an issue that is in both our interests to address. That's very different than a wholesale push toward disinfection or secondary treatment. Together, we can target changes that we want to see and make necessary improvements.

We expect quick movement by the State to provide necessary accommodations to 401 certification that allows continued 301(h) waivers to be issued. That's a clear starting point for this discussion. This may include waiving or suspending recent water quality standards changes, reverting to prior levels until such time as the Department and political subdivisions agree on a path forward.

Alaska's local governments are committed to the health and well-being of their residents and the environment they depend on. We are proud of how little our communities have impacted the natural resources that make us special. That's very different than outside regulatory changes occurring that call into question the balance we've struck. We'll continue to measure what matters.

On behalf of the undersigned:

Mayor David Kiffer, City of Ketchikan

Mayor Patricia Phillips, City of Pelican

Jim Hunt, Manager, City of Whittier

*Mayor Steven Eisenbeisz, City and Borough of Sitka

Mayor Steve Prysunka, City and Borough of Wrangell

*Mayor Douglas Olerud, Haines Borough

*Brad Ryan, Manager, Municipality of Skagway

*Stephen Giesbrecht, Manager, Petersburg Borough

- Neil Steininger, Director, Office of Management and Budget
- Mark Corsentino, Anchorage Water and Wastewater Utility

Addendum: Appropriately Resourcing Infrastructure Improvements

Separate from a conversation about getting the regulatory environment right – and addressing data, modeling, and potential impacts – and alongside considerations of next steps for infrastructure improvements, will be how to appropriately fund necessary upgrades, including ongoing maintenance and operations needs.

Unfunded mandates from within an agency don't force improvements, and instead increase uncertainty and challenges for local governments trying to do a lot with scant resources. Instead, we'd like to look to the State as a partner in the development of infrastructure that meets the expectations of Alaskans. If systems that were developed nearly half a century ago need improvements, that's a role the State can fill. A common refrain of municipalities across the nation, from this last year, was "rebuild with us" – make the investments in Alaska that will benefit the State by improving social, economic, and environmental conditions.

Investment doesn't mean loans – loans perpetuate a financial burden in communities. Loans and other debt provided by the State limits future municipal capacities to make upgrades and address deferred maintenance. We appreciate the State Revolving Loan Fund for what it can do, at the right time and for the correct project, but it isn't an answer to systemic change or improvements. The State's Municipal Matching Program was a better model, provided the local match is a fair percentage of the project cost.

Now is the optimal time to reset that system. Leveraging the incoming and available funding from the federal infrastructure package, intended for improving water and sewer systems across the country, the State has an opportunity to sit down with local governments and discuss ways in which we can come to mutually beneficial solutions. Impacted communities expect an opportunity to discuss investments necessary to make changes that improve water quality, and where funding comes from. It appears there is State interest in addressing issues like fecal coliform, where it occurs but it isn't clear, that municipal treatment systems are to blame and the "solutions" that have been presented may not address what is trying to be solved.

Part of that conversation is how the State may be a partner in the redevelopment of failing infrastructure that's becoming too old to support a community's population and economy. That very definitely means including the potential for financially supporting increased maintenance and operations needs in the future, which stem from these investments.

We expect that any discussion about resourcing includes a commitment from the State to provide financial support for future maintenance needs, especially if there are upgrades to systems that include disinfection and/or secondary treatment. The State's establishment of water quality standards that require additional levels of treatment can only come with corresponding resources to support the upkeep necessary to sustain them. Expecting municipalities to pass on these costs to residents and rate payers is not realistic or feasible. In fact, without real financial solutions presented by the State, increased costs mean that businesses and residents will have to pay more, which can add to economic decline, movement beyond water service areas, and even outmigration.

Introduction Date: January 18, 2022
Enactment Date: January 18, 2022

CITY OF WHITTIER, ALASKA
EMERGENCY ORDINANCE 2022-001

AN EMERGENCY ORDINANCE OF THE CITY COUNCIL OF THE CITY OF WHITTIER, ALASKA, TEMPORARILY AUTHORIZING THE SUSPENSION AND/OR MODIFICATION OF VARIOUS SECTIONS OF THE WHITTIER CITY CODE REGARDING PUBLIC MEETINGS AND PARTICIPATION IN ORDER TO PROTECT AND PRESERVE THE HEALTH, SAFETY, AND WELFARE OF THE WHITTIER COMMUNITY DURING A STATEWIDE HIGH ALERT AND LOCAL PUBLIC HEALTH EMERGENCY RESULTING FROM COVID-19

WHEREAS, the State of Alaska on January 11, 2022 reported over 1400 new cases a day and has issued a red high alert for the state Covid 19; and

WHEREAS, the City of Whittier has experienced a sudden and substantial increase in self-reported COVID- 19 positive cases; and

WHEREAS, Whittier city council approved and extended emergency ordinance 2021-004: and

WHEREAS, Emergency Ordinance 2021-004 expired on January 15, 2022; and

WHEREAS, United States Center for Disease Control and Prevention (CDC) has identified COVID-19 as a significant public risk; and

WHEREAS, the recommendations of global, federal, state, and local organizations and government entities are changing almost daily in response to new information regarding COVID-19, which requires the City to be able to act swiftly to comply with these recommendations in its operations; and

WHEREAS, in order to protect public health, welfare, and safety, the city needs flexibility in its meeting and notice protocols as well as in its procurement process for collecting and purchasing emergency supplies; and

WHEREAS, Council recognizes the public health emergency created by the COVID-19 outbreak and the imminent harm it poses to the City of Whittier and all members of the Whittier community; and

WHEREAS, the City Manager has authority to implement temporary rules and procedures regarding City government organization and operations during an emergency under WMC 2.64.140; and

**NOW, THEREFORE, THE CITY OF WHITTIER CITY COUNCIL
ORDAINS:**

Section 1. The Whittier City Council hereby renews and extends the City Manager's authority to temporarily waive or modify provisions pertaining to scheduling, publication, notice, cancellation, teleconferencing, video conferencing, and other related meeting procedures for all City commission, committee, and Council meetings so long as: 1) the City Manager's actions comply with State law and the grant of authority vested in the City Manager under WMC 2.64 and 2) the City Manager posts notice of all modifications or waivers and the reasons for such modifications or waivers on the City's website no more than 10 business days after implementation. Council may repeal any modification or waiver made by the City Manager under this Ordinance by resolution.

Section 2. Whittier Council recommends facial coverings inside buildings open to the public when six feet of distance from other individuals cannot be maintained in response to the rapid increase in covid- 19 cases within the City of Whittier.

Section 3. This ordinance is an emergency ordinance, is not permanent in nature, and shall not be codified.

Section 4. This ordinance shall take effect on the day it is enacted and shall expire sixty (60) days after its passage on March 15, 2022, in accordance with Whittier City Code 2.08.310.

ENACTED BY THE CITY COUNCIL OF THE CITY OF WHITTIER, ALASKA
this 18th day of January, 2022

Dave Dickason
Mayor

ATTEST:

Jackie C. Wilde
Assistant City Manager/Acting City Clerk

Council Agenda Statement

Meeting Date: November 16, 2021

To: City Council

Through: Jim, Hunt, City Manager

From: Jackie C. Wilde, Assistant City Manager

Agenda Item: An Emergency Ordinance of The City Council of The City Of Whittier, Alaska, Temporarily Authorizing The Suspension And/or Modification Of Various Sections Of The Whittier City Code Regarding Public Meetings And Participation In Order To Protect And Preserve The Health, Safety, And Welfare Of The Whittier Community During A State And Local Public Health Emergency Resulting From Covid-19

BACKGROUND, JUSTIFICATION & INTENT:

The State of Alaska on January 11, 2022 reported over 1400 new cases a day and has issued a red high alert for the state Covid 19. The City of Whittier has experienced a sudden and substantial increase in self-reported COVID- 19 positive cases.

On November 16, 2021 Whittier city council approved and extended emergency ordinance 2021-004 this emergency ordinance expired on January 15, 2022. United States Center for Disease Control and Prevention (CDC) has identified COVID-19 as a significant public risk. The recommendations of global, federal, state, and local organizations and government entities are changing almost daily in response to new information regarding COVID-19, which requires the City to be able to act swiftly to comply with these recommendations in its operations.

Council recognizes the public health emergency created by the COVID-19 outbreak and the imminent harm it poses to the City of Whittier and all members of the Whittier community.

In order to protect public health, welfare, and safety, the city needs flexibility in its meeting and notice protocols as well as in its procurement process for collecting and purchasing emergency supplies

While the Administration recommends Council’s declaration of a continued emergency, we also acknowledge the significant reduction in exposure to and impact of COVID-19 within Whittier and we are hopeful that the emergency declaration will no longer be necessary after March 15, 2022

The protective measures against the Omicron variant remain the same as for the other COVID variants. Layering protective measures, including masking, handwashing, physical distancing, and testing help to reduce transmission of the COVID-19 virus. Using a self-test before and after travel and large gatherings is advised.

RECOMMENDATION: Approve Emergency Ordinance-2022-001 temporarily authorizing the suspension and/or modification of various sections of the Whittier city code regarding public meetings and participation in order to protect and preserve the health, safety, and welfare of the Whittier community during a statewide high alert and local public health emergency resulting from covid-19

**CITY OF WHITTIER, ALASKA
RESOLUTION 2022-001**

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF WHITTIER,
ALASKA, AMMENDING THE CITY OF WHITTIER'S CALENDAR YEAR
2022 STATE LEGISLATIVE PRIORITIES**

WHEREAS, the city annually meets to discuss and prioritize the City's top capital needs, projects and the resulting list represents the City's most important State legislative priorities; and

WHEREAS, the compiled list of projects and priorities is distributed to members of the Alaska State Legislature, the Governor's Office and the City's state lobbying firm, with the intent of presenting the desires of the city with respect to State legislative funding requests; and

WHEREAS, this resolution serves to identify and validate the City Council's prioritized list of community projects and capital needs, and focuses the efforts of the City Council and administration in their lobbying efforts; and

WHEREAS, passage of this priority list results from a public process which encourages input from members of the community and the City's elected council members; and

WHEREAS, the projects on this list are consistent with the City's Comprehensive and Strategic Plans; and

WHEREAS, it is the intent of the City Council to provide the City's lobbying firm, members of the Alaska State Legislature, and the Governor, as well as the President, Alaska Congressional Delegation, and appropriate federal officials, adequate information to represent the desires of the city concerning legislative requests including necessary funding requirements.

NOW, THEREFORE BE IT RESOLVED, by the City Council of Whittier, Alaska that the following Capital Budget priorities replace Resolution 027-2021 are identified as the City of Whittier State Legislative Priorities for Calendar Year 2022.

- 1. Economic Development water/wastewater infrastructure project- Head of bay
- 2. Long term lease of Alaska Railroad Head of Bay property to the City of Whittier
- 3. Shotgun Cove Road
- 4. Whittier Harbor Improvements and continued support for the State of Alaska Department of Transportation and Public Facilities Municipal Harbor Grant Program
- 5. Whittier Creek levee repairs

BE IT FURTHER RESOLVED that the City Manager is hereby instructed to advise the City's lobbying firm, members of the Alaska State Legislature, and the Governor, of the City's legislative priorities and take all appropriate steps to provide background information and testimony in representing the City's best interests.

PASSED AND APPROVED by a duly constituted quorum of the Whittier City Council on this 18th day of January, 2022.

RESOLUTION 2022-002**

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF
WHITTIER, ALASKA, AMENDING THE CITY OF WHITTIER'S
CALENDAR YEAR 2022 CITY LEGISLATIVE PRIORITIES**

WHEREAS, the City annually meets to discuss and prioritize the City's top capital needs, projects and important issues and the resulting list represents the City's most important local legislative priorities; and

WHEREAS, this resolution validates the City's capital projects and prioritizes the needs of the city, focusing the efforts of the City administration and the City Council in their lobbying efforts; and

WHEREAS, the passage of this resolution occurs through a public process which provides an opportunity for the community members and the City Council to identify and prioritize local capital needs and priority issues; and

WHEREAS, all projects on this list are consistent with the City of Whittier's Comprehensive Plan and Strategic Plan.

NOW, THEREFORE BE IT RESOLVED, by the City Council of Whittier, Alaska that the following Capital Budget priorities are identified as the City of Whittier's local priorities for Calendar Year 2022:

1. Long Term Lease of Non-Operational and/or Non-Essential ARRC Head of Bay Property To The City Of Whittier; Master Lease And Legislature Presentation
2. Economic Development Opportunities Water/Wastewater Infrastructure Project- Head of Bay
3. Whittier Harbor Infrastructure Improvements

BE IT FURTHER RESOLVED that the City Manager is hereby instructed to advise the City's state and federal delegations, including the Governor and the President, as appropriate, of the City's legislative priorities, and to take all appropriate steps to provide background information and testimony in representing the City's best interests.

PASSED AND APPROVED by a duly constituted quorum of the Whittier City Council on this 18th day of January, 2022.

RESOLUTION 2022-003**

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF WHITTIER,
ALASKA, APPROVING EMERGENCY REPAIRS TO THE OSHKOSH
SNOWBLOWER**

WHEREAS, the city experienced damage to the Oshkosh snowblower which is the City's primary piece of equipment which clears snow in Whittier; and

WHEREAS, the City Manager informed the City Council of the need for emergency repairs; and

WHEREAS, Bob's Services performed the repairs at a total cost of \$60,142.96 which was covered under the City's property insurance policy, less the City's deductible of \$10,000.

NOW, THEREFORE, BE IT RESOLVED by the Whittier City Council that repairs to the Oshkosh Snowblower are hereby retroactively authorized in accordance with the municipal code's emergency purchasing provisions, WMC 3.32.210(C).

PASSED AND APPROVED by a duly constituted quorum of the Whittier City Council on this 18th day of January, 2022.

Council Agenda Statement

Meeting Date: January 18, 2022
To: City Council
Through: Jim Hunt, City Manager
From: Kris Erchinger, Finance Director
Agenda Item: Oshkosh Snowblower repairs

BACKGROUND. JUSTIFICATION & INTENT:

The City experienced damage to the main snowblower apparatus during 2021 which necessitated repairs. Staff had hoped to have the repairs done timely to return the machine to service immediately. The City Manager informed the City Council that this was an emergency repair need and that we were proceeding with the repairs and would bring the item back to Council once we knew the extent of the damage.

The City worked with the vendor and identified the need for specialized repairs. Bob’s Services LLC conducted the repairs which were completed in November 2021 at a total cost of \$60,142.96. The invoice was sent to the City’s insurance carrier and the City was reimbursed \$50,142.96 (the cost of the repairs less the \$10,000 deductible).
